SUBJECT: King Turkey Day Celebration

This year, Worthington is celebrating its 82nd year of King Turkey Day on Friday, September 17th and Saturday, September 18th, 2021.

This year activities are being planned to begin Friday evening at 5:00 p.m. The location will be Downtown Worthington, and maps will be mailed prior to King Turkey Day. All booths must be set up by Friday afternoon, ready to serve the public by 5:00 p.m. We will be available on Friday to help. Late arrivals will NOT be accepted and no refund will be given. Saturday, vendors are to be set up by 7:30 a.m. Please bring sufficient quantities of food and plan to stay for the duration of our fun celebration!

We will be honoring registrations as they come in first come first served. We are trying to limit specialty items to one vendor per item, so please don't delay. But, in the unforeseen event that King Turkey Day does not happen due to COVID-19, all vendor fees will be refunded.

You will need to contact Julie Isenberg, Minnesota Department of Health at 507-344-2721 for a special event license in MN or if you have any questions regarding licensing in general.

Pepsi has an exclusive on all soft drinks and water. Meaning, you have to sell Pepsi products only (if you are selling pop or water). Please contact Tim Haubrich at (507) 825-4207 to place your order or purchase only Pepsi products at a location of your choice.

Return the form below along with a check in the amount of \$75.00 made payable to King Turkey Day, Inc. by August 15th, 2021.

Please feel free to email Susanne Murphy at zanner75@gmail.com or call 507-360-6699 with any questions. You may also visit the King Turkey Day website at www.kingturkeyday.net.
